SEMI must receive written notification of any cancellation. All booths must be set and show ready by 6:00pm on the day prior to the opening of the event. Failure to do so will be considered a cancellation, unless SEMI has been notified and has approved otherwise.

GOVERNING LAW / ARBITRATION

This agreement shall be governed by the laws of the State of California without regard to principles of conflicts of laws. Any controversy, dispute, or claim arising out of or relating to this Agreement, or a breach hereof, or any other dispute between the Exhibitor and SEMI relating to the SEMICON Show, shall be resolved through arbitration in accordance with

GOVERNING LAW / ARBITRATION (continued)

the Commercial Arbitration Rules of the American Arbitration Association in effect on the date of this Agreement.

In the event of any conflict between such rules and the provisions of these terms and conditions, the provisions of these terms and conditions shall govern. Notwithstanding the foregoing, should adequate grounds exist for seeking immediately injunctive relief for a violation of any term or condition of this agreement, any party hereto may seek and obtain such relief, provided that, upon its obtaining such relief, such action shall be stayed pending the resolution of arbitration proceedings. All arbitration proceedings under this Agreement shall be held in San Jose California and conducted in English.

The decision of the arbitrator shall be final, conclusive and binding upon the parties and shall not be subject to appeal. Judgment upon the decision rendered or awarded by the arbitrator may be entered in any court having jurisdiction thereof, or application may be made to such court for a judicial recognition of the decision or award or an order of enforcement thereof, as the case may be. The costs of arbitration including, inter alia, reasonable attorneys' fees, expenses associated with the arbitration, and the costs of filing or enforcing the arbitration, all as determined by the arbitrator, shall be paid entirely by the non-prevailing party.

GENERAL

The relationship between the parties is that of independent contractors. Exhibitor is not an employee, agent, partner or legal representative of SEMI and shall have no authority to assume or create obligations on behalf of SEMI or the Event. Exhibitor shall not assign to a third party its rights, or obligations, or any portion thereof without the prior written consent of SEMI, which consent SEMI may grant or withhold at its sole discretion. Any attempted assignment without such consent by SEMI shall be void and of no effect, and shall constitute a material breach by Exhibitor of its obligations hereunder.

This agreement and the rules and regulations of SEMI incorporated herein, including without limitation the rules and regulations set forth in the Exhibitor Services Manual, is the only agreement between the parties pertaining to its subject matter, and supersedes any draft or prior agreement, discussion, or representation. Except for memos issued by SEMI prior to the show, this agreement may only be amended or modified in a writing signed by each party.

Aside from the parties hereto, no other person or entity, including without limitation, any co-exhibitor is entitled to benefit from the rights and obligations hereunder and there are no third party beneficiaries hereto. The failure of either party to assert a right hereunder or to insist upon compliance with any term or condition of this agreement will not constitute a waiver of that right or excuse a similar subsequent failure to perform any such term or condition by the other party.

None of the terms and conditions of this agreement can be waived except by the written consent of the Party waiving compliance. If any provision of this agreement is held to be invalid or unenforceable by a court of competent jurisdiction, then the remaining provisions will nevertheless remain in full force and effect, and the parties shall negotiate in good faith a substitute, valid, and enforceable provision that most nearly reflects the parties' intent in entering into this agreement.

It is each exhibiting company's responsibility to read and comply with all rules and regulations as stated in the Exhibitor Services Manual. Each exhibiting company will be fully responsible for all costs involved should the exhibiting company violate rules and regulations that require remedial action by SEMI.
